

When your next project calls for voiceover work, could I ask you a favor?

Consider me for the job.

The demos on this site will give a sense of my range, which has been described by professionals in the business as powerful, scary, commanding, conversational and ... sexy!

Five reasons to give me a try:

- Versatile voice -- can be used on a variety of projects
- Improv experience -- live performance in local clubs
Trained at Comedy Sportz Milwaukee and Annoyance Chicago
- In-depth training with numerous VO “celebrities” including:
Dave Leffel, VO Actor, director with BAM studios in Chicago
Jeff Lupetin, VO Actor, director with The Chicago Recording Company
Pat Fraley, renowned VO Actor from L.A.
Sheri Berger, renowned VO Actress from Chicago
- Theatrical training -- on-going coaching and diction training with Lauri Birmingham
Actress with the Milwaukee Rep
- Acting classes with Jenney Kostreva, Education Director at the Milwaukee Rep.
She is also my on-going acting coach.

I would welcome the chance to explore prospects for an assignment with you in the near future. If you have a project you feel I could help with, please feel free to contact me.

Many thanks, in advance, for your kind consideration.

Sincerely yours,
Michael Anthony Petranech
